#### The impact of the new **IPA Project Routemap** on project controls services

- panel discussion with

Alan Couzens Capital Portfolio Director for National Highways **Dr Frederick Levy** Principal Consultant, Programme Advisory, Turner & Townsend

Jon Loveday Director of Infrastructure, Enterprise and Growth for Infrastructure Projects Authority (IPA)

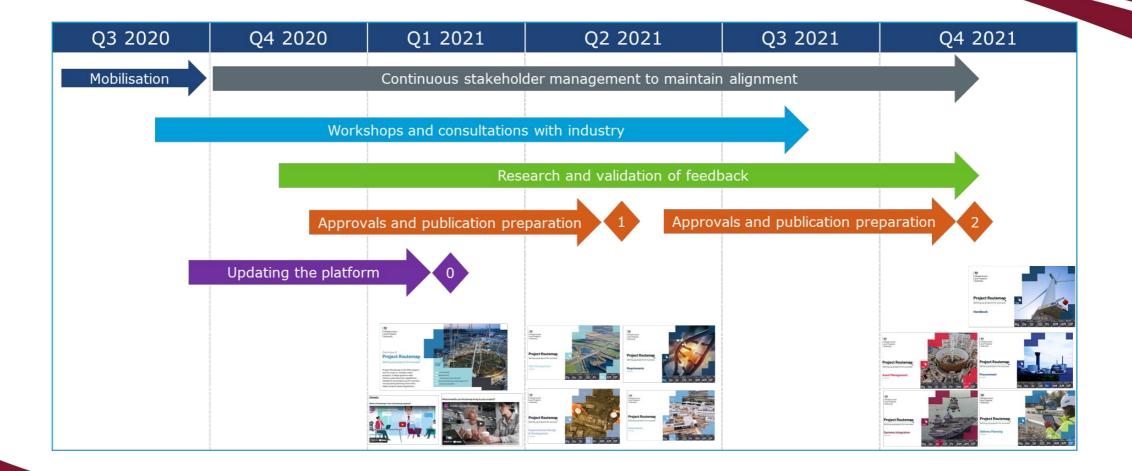

**Rob Halstead** Director, Infrastructure for Turner & Townsend

#### Routemap journey

#### 6 cross-cutting themes

Planning for change and developing the required capability before progressing/ to the next life cycle stage

Embedding systems and approaches at the front end to maximise project productivity

Realising project success with a capable, diverse and integrated team

6 Transitions

Digital and technology

5

4

Behaviour and culture Adopting a whole life perspective whilst managing the project

Taking in a wider view of the project's impact on the existing built, natural and social systems

People and Skills

**Economic**,

environmental

& social value

**Benefits and** 

outcomes

focus

3

Planning ahead for the right skills, experience & capacity to deliver the project

Turner & Townsend

#### **Project Routemap**

#### Setting up projects for success
