

EXPERIENCE THE POWER OF
DIGITALIZATION AND INTEGRATION

WITH CLEOPATRA ENTERPRISE

THE #1 PROJECT COST MANAGEMENT SOFTWARE

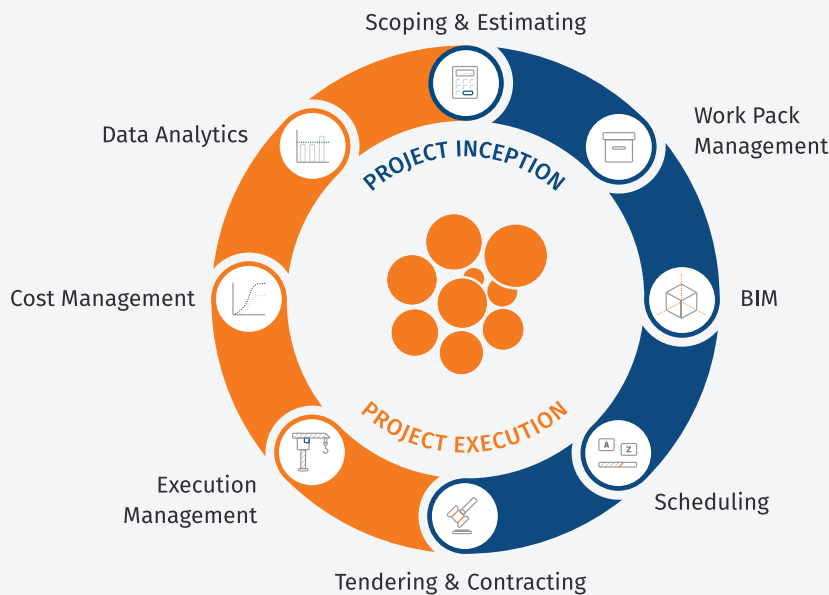

Digital
systems

Experienced
professionals

Integrated
processes

Cleopatra Enterprise empowers organizations to improve their project performance and complete projects on time and within budget.

The software solution covers the entire project life cycle by integrating functionalities for cost estimating, scheduling, cost management, form tracking, work package management, BIM, data analytics, benchmarking, and more.

For over 25 years, Cleopatra has enabled more than 500 industry-leading companies in 75 countries to control large technical projects and turnarounds and improve their performance.

- Developed by cost engineers
- Used on projects by asset owners, governments, and (engineering) contractors
- Interfaces with tools such as Excel, Primavera, and SAP
- The state-of-the-art technology allows you to work faster and more accurately
